

# SCIENTIST OF TOMORROW

## CONTEST FOR UNDERGRADUATE STUDENTS IN LIFE SCIENCE

Are you interested in Cell Biology? Would you like to work with a revolutionary 3D microscope to explore living cells? Do you dream of visiting Switzerland?

Nanolive is inviting undergraduate students from all over the world to submit a proposal to win a trip to our headquarters in Lausanne. The winner will get a chance to work alongside our scientists and use our cutting-edge 3D Cell Explorer microscope to explore living cells in 3D.

For more information on how to apply, visit our website [www.nanolive.ch/sot2019](http://www.nanolive.ch/sot2019)
